

COASTAL BEND JAMBOREE 2021 - CANCELLED

From the Coastal Bend Jamboree 2021 Committee:

It is with deep regret that we've made the sad decision to cancel the Coastal Bend Jamboree for March 2021.

In light of the situation with Covid – 19, we felt this was in the best interest of our Fellowship and Jamboree attendees, speakers, committee members, and the event itself.

We are disappointed to make this announcement, but we are committed to being back in 2022 with a great event, just as we have done for the last 66 years.

We look forward to celebrating Alcoholics Anonymous, our program of recovery, and seeing old and new friends next year!
