*"When anyone, anywhere, reaches out for help, I want the hand of AA always to be there. And for that I am responsible"*

## Founders Day

What is Founder's Day and why is it so important to our local fellowship?

### A business trip to Akron

A short-term job opportunity takes Bill to Akron, Ohio. In the lobby of his hotel, he finds himself fighting the urge to join the conviviality in the bar. He consults a church posted on the wall with the aim of finding someone who might lead him to an alcoholic with whom he could talk. A phone call to Episcopal minister Rev. Walter Tunks results in a referral to Henrietta Seiberling, a committed Oxford Group adherent who has tried for two years to bring a fellow group member, a prominent Akron surgeon, to sobriety.

### Men on a Mission

Dr. Bob lapses into drinking again but quickly recovers. *The day widely known as the date of Dr. Bob's last drink, June 10, 1935, is celebrated as the founding date of Alcoholics Anonymous.* Dr. Bob and Bill spend hours working out the best approach to alcoholics, a group known to be averse to taking directions. Realizing that thinking of sobriety for a day at a time makes it seem more achievable than facing a lifetime of struggle, they hit on the twenty-four hour concept.

# Founders Day

It is very difficult to speak of the “AA” Dr. Bob without going into [eulogistic](#) superlatives. While he lived, he laughed them off. And now, though he is dead, I feel that he still laughs them off. I sat beside him many times at the speakers’ table and watched him squirm as some florid introduction was being given him. Many a chairman of the meeting strove to rise to the responsibility of introducing him by referring to him as co-founder of the “*greatest, most wonderful, most magnificent, most momentous movement of all time.*” Dr. Bob whispered to me on one of these occasions, “*The speaker certainly takes in a lot of territory and plenty of time.*”

While Dr. Robert Holbrook Smith thoroughly appreciated the spirit of personal gratitude that usually prompted such superlatives, he never took them seriously as applicable to himself. He rose up to tell with all humility the simple story of an alcoholic’s return to sobriety. Dr. Bob seldom called upon his vast experience with others. He simply repeated in different ways the story of one man’s great return. And that was his own.

He could have gone scientific and [statistical](#), for he heard more confessions of sprees and lost weekends than anyone else alive. But he never did it that way. He always remained plain. Once, Dr. Bob was lost in an alcoholic fog himself. He recalled that he was proud, resentful, and full of rancor, cocky, self-sufficient, and selfish. But whether he spoke at the banquet table or ministered to an alcoholic in the ward, he was kind but firm, serious and sympathetic, always unmindful of race, color, creed, or previous state of alcoholic servitude.

## Humble from God or from being humiliated

Dr. Bob was a humble man. His humility was born, no doubt, of his humiliations before his good wife, Anne, and his colleagues in the medical profession. This led to the great step of becoming humble before his God. Here was the crisis in his life: at last, he found the God who he knew would help him if he would only place a humble confidence in him. This is the story of Dr. Bob. It is the story, too, of the [Twelve Steps](#) that logically follow, once the situation is faced with honest realism.

Looking back over his life, one might say Dr. Bob was two people, two personalities, even in his drinking days. He continued to have two personalities after getting sober. As he made his rounds through St. Thomas Hospital, he did so as Dr. R. H. S., medical practitioner. But, as he came to Room 390 in the alcoholic ward, he put off the cloak of science and professionalism and became just plain Dr. Bob. Which was a man eager, willing, and able to help his fellow man. As he left the hospital each day, two men went out through the door—one a great M.D., the other a great man.

It was quite natural that Dr. S. sought hospitalization for alcoholics. He had been sending the sick to St. Thomas Hospital for years. To him, alcoholism was a sickness as real as pneumonia. Treatment wasn’t easy. The new treatment was to be physical, psychological, social, and spiritual. As a whole, the patient was sick and needed treatment.

## Thank God and the Sisters of Charity

Many of his colleagues in the medical profession disagreed with Dr. S., some bitterly. Fortunately, he knew the nursing sisters at St. Thomas Hospital. It was very fortunate, even providential, that he met the [Sisters of Charity of St. Augustine](#). For in the long, long history of their order, they had taken care of all manner of disease, dereliction, and misfortune, and they were now willing to try the newer method of treating alcoholism. A ward opened to Alcoholics Anonymous in the general hospital for the first time.

Dr. S. and the sisters soon learned to diagnose more accurately and prescribe more effectively. Here was new type of patient needing a new type of treatment. Furthermore, the disorder was more on the psychological and spiritual rather than on the physical side. Here was a patient whose thinking was all beclouded; whose attitudes were wrong; of which who’s life philosophy was all mixed up and sense of values was distorted; that spiritual life was nonexistent. Consequently, the patient was a challenge to the skill, patience, and prayer of all who worked at the hospital with Dr. S. in the noble art of healing a terribly wounded personality.

What success attended his efforts, as well as the efforts of the sisters and all who worked with the many patients who passed through that ward, is now a matter of [AA history](#). It will ever remain a monument to the memory of R. H. S., M. D. — and Dr. Bob, the man.

## Step 6 - Willingness

### Step 6: Were entirely ready to have God remove all these defects of character.

My character defects are what my friends call "The trouble with Rob." They are the beliefs and behaviors that get in the way of me taking care of myself and being of service to God and others. Most of my defects originated early in life. They were the best adaptation I was capable of under the circumstances. I got attached to them because they seemed to work for me at the time. I thought they helped me survive. Subsequently, they became my automatic response to situations I perceive as similar -- even when they are inappropriate and ineffective. I got so attached to them I became unwilling to even consider giving them up.

A few years ago, someone asked AA's General Service Office to explain the difference between "defects of character" in Step 6 and "shortcomings" in Step 7. The answer was "There is no difference." Two different expressions meaning the same thing were used to avoid repetition in two successive sentences.

The principle behind Step 6 is **WILLINGNESS**. When I take on doing the will of God, He will remove any obstacles in my way, including my defects of character. But I have to be willing to give them up. If there were a Sixth Step Prayer, I think it would be a prayer for willingness.

The way monkeys are trapped in the wild is to place a bit of food into a small cage-like trap, designed so a monkey's open hand fits between the bars. But when the monkey grips the food in a closed fist, its hand won't pass back through the bars. Because the monkey is unwilling to give up the food, it is caught in the trap. So it was with me and my defects when I started my journey in recovery (*and, sometimes, to this day*).

Early on, a defect had to kick my natural ass, before I would give it up. I had to be laying on the floor in excruciating pain the way I was when I came to AA. I've learned that it is possible to raise the bottom -- I just have to be willing to give up the payoff I'm getting. Stated another way, I have to want to stop incurring the cost bad enough to be willing to give up the perceived benefit I've been getting. I do a journal exercise where I write down the payoff and the cost of the defect.

**Generally** the PAYOFF is something like -

- I get to be right and make others wrong;
- I get off the hook and don't have to take responsibility for something;
- I get to be comfortable with the familiar.

**Generally** the COST is things like

- Happiness;
- Self-Expression;
- Relationships with God, myself, and other people.

For me it often comes down to a choice between being right or being happy. As my values have changed in recovery, I would generally rather be happy. If I'm WILLING to let go of what I've got, God can give me something better.

## CBIA Appreciates Ongoing Support

---

### Group Contributions

**In the past, CBIA's second biggest source of revenue has been Group Contributions.** Since COVID-19 came to this area in March of 2020, we have some groups that are starting to meet in person, others are still meeting only on Zoom; and the remaining groups are still not meeting. Total Group Contributions are starting to increase and we appreciate all the contributions being made so far this year and hope for continuing support.

### Individual Contributions

**We are inspired and grateful that individual members of our community have made up for the shortfall in 2020 revenues in 2020 and early 2021.** The large contributions in December 2020 and January 2021 (*within the annual limit of \$5,000*) helped to make us whole for the year. The larger contributions are expected to be a one-time thing. The "Hand of AA" event was a great success but we know that fund raising and group contributions may continue to be reduced in 2021.

**We hope for ongoing individual support to make it through 2021.**

### Fundraisers

Texas law allows 501c3 non-profit corporations like CBIA to have only two fundraiser events. This year's The Hand of AA spring fund raiser and a second event, Septemberfest, will be held to help support CBIA during 2021. We look forward to Jamboree again in 2022, February 3<sup>rd</sup>-5<sup>th</sup> at the Omni Hotel in Corpus Christi.

## CBIA Appreciates Ongoing Support (*Continued*)

### Where Are We Now?

	<u>Actual May 2021</u>
Contributions	21,036.13
Gross Sales	4,455.97
Cost of Goods Sold	(3184.64)
-----	
Gross Gain	22,307.46
Total Expenses	15,103.28
Interest Income	.31
-----	
Net Gain	7,204.49

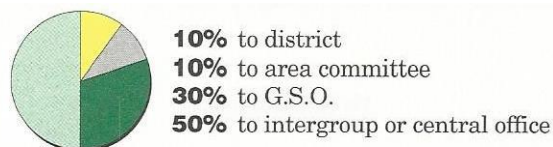

### What Has the CBIA Board of Trustees Done?

We determined that we had previously reduced expenses as far as possible without cutting services, and we did not want to do that. We have also decided that to ensure the future of the organization it would be unwise to cover the entire shortfall from our prudent reserve.

However, the board decided to **move \$3,000 from Prudent Reserve (*Savings*) to Checking during the summer of 2020**. The board also voted to reduce hours & payroll by 25% so Kelly (*AM*) and Rita (*PM*) will work three hours rather than four each workday. As of April 7th, 2021, our hours are 8:30 – 11:30 AM and 2:00 – 5:00 PM Monday through Friday. The board also asked the Office Manager to ask the landlord about a smaller space / reduced rent. **The landlord will let us know when a smaller space becomes available.**

### What Can a Group Do to Help?

The AA World Service pamphlet, [Self-Support: Where Money and Spirituality Mix](#), suggests that AA Groups in areas served by an intergroup office distribute funds in excess of prudent reserve as shown below.

Thus, it is up to each group conscience to determine what (*if anything*) it contributes.

Your group might want to re-consider its contribution priorities temporarily. GSO and Intergroup have a bigger slice of the pie because they have much higher overhead (*salaries, office space, etc.*) than the other service entities. You might want to consider giving more to Intergroup and GSO and less to other service entities. Also, if your group has money earmarked that can be sent in earlier, that would be helpful.

# HAPPY **2021 CBIA Birthday Club**

**Birthday Club Members** are people who have made an individual contribution to CBIA of \$1.00 or more for each year of sobriety during that calendar year. They will be listed in each Bender from the month after the donation to the end of the year. Monthly donors (\$5 or more) and people who contribute \$100 or more will be listed for one additional year. Donations can be made by **PayPal** under the Donate option on our website ([www.cbiam.org](http://www.cbiam.org)), by **Venmo** to **CoastalBend-Intergroup** (For anonymity, it is recommended that Venmo settings make the transaction private.) or by **check** to **CBIA**, 3833 S Staples Suite S-212, Corpus Christi, TX 78411. Please indicate Home Group or City and Sobriety Date. Let us know if you do not want your birthday listed in the Bender.

## Volunteers Needed to Carry the Message in Corrections Facilities

### Corrections Facilities

Some of the correction facilities are starting to open back up. Volunteers are needed to carry the message to alcoholics in corrections facilities. You must be at least 18 years old and not been in trouble with the law (*arrested, incarcerated, pending, etc.*) for at least 18 months. Contact Ronnie B. at [ronniebesco@hotmail.com](mailto:ronniebesco@hotmail.com)

### Helpline / 12 Step List

**More people are needed for “The Helpline”.** The Helpline is staffed by volunteers who make sure the hand of AA is available 24 hours a day by answering the intergroup phones overnight (5 PM to 8 AM) and on weekends (8 AM Saturday to 8 AM Sunday or 8 AM Sunday to 8 AM Monday). A minimum of six months sobriety is required to answer the phones. We need a few additional helpline volunteers at present. **If you are available to do this vital volunteer work, please contact CBIA as soon as possible to add your name.**

If a caller needs help beyond meeting information, the helpline passes them to someone on the **12-Step List** for a longer conversation on how to get sober and stay sober. A minimum of two years sobriety is required to be on the 12 Step List. We especially need people (particularly women) in the outlying areas.

If you would like to be on the Helpline or the 12-Step List, call Kelly or Rita at the CBIA office (361) 992-8911 between 8:30-11:30 AM or 2-5 PM Monday thru Friday.

### Local Stories Wanted For the Coastal BENDER

Consider writing your recovery story or an article on an AA topic for publication in this newsletter. Submit your article to [cbia@grandecom.net](mailto:cbia@grandecom.net) in a Word document or similar format.
