“When anyone, anywhere, reaches out for help, I want the hand of AA always to be there. And for that I am responsible”

History Behind AA’s Responsibility Statement

Almost 57 years ago....It was written for the 1965 AA International Convention in Toronto, In an article titled, *‘How I am Responsible became a part of AA’*, from the GSO newsletter, Box 4-5-9. The article identifies former AA trustee, Al S. as the author of the Responsibility Statement. In the souvenir book for the 1965 Convention, Dr. Jack Norris writes:

“...We must remember that AA will continue strong only so long as each of us freely and happily gives it away to another person, only as each of us takes our fair share of responsibility for sponsorship of those who still suffer, for the growth and integrity of our Group, for our Intergroup activities, and for AA as a whole.

It is in taking responsibility that real freedom and the enduring satisfactions of life are found. AA has given us the power to choose – to drink or not to drink – and in doing so has given us the freedom to be responsible for ourselves. As we become responsible for ourselves, we are free to be responsible for our share in AA, and unless we happily accept this responsibility, we lose AA. Strange, isn’t it?”

In a Grapevine article in October 1965, the Responsibility Statement is discussed, and Bill W. expresses his views:

Two major thoughts stood out in the remarks of the many speakers, alcoholic and nonalcoholic, at AA’s July Toronto Convention. The first was admiration and gratitude for AA’s startling success in sobering up hundreds of thousands of lost-cause drunks. The other was concern that the success which has come to AA over the thirty years since its start in Akron, Ohio in 1935 would not lead us to any complacency about the size of the job still to be done.

The theme of the Convention was: Responsibility. ***“I am responsible. . .when anyone, anywhere, reaches out for help, I want the hand of AA always to be there. And for that: I am responsible.”*** AA’s co-founder, Bill, in his talk to over 10,000 attending the major sessions of the Convention, stressed the need for cooperation with all who work on the problem of alcoholism, the more than 100 agencies in the United States and Canada alone now engaged in research, alcohol education and rehabilitation.

“Too often, we have deprecated and even derided these projects of our friends just because we do not always see eye to eye with them,” Bill said. “We should very seriously ask ourselves how many alcoholics have gone on drinking simply because we have failed to cooperate in good spirit with these many agencies. No alcoholic should go mad or die merely because he did not come straight to AA in the beginning.”

“The first concern of AA members should be with problem drinkers the movement is still unable to reach,” Bill said. He estimated that there are 20 million alcoholics in the world today, five million in the U.S. alone. “Some cannot be reached because they are not hurt enough, others because they are hurt too much,” he declared.

“Many sufferers have mental and emotional complications that seem to foreclose their chances. Yet it would be conservative to estimate that at any particular time there are four million alcoholics in the world who are able, ready and willing to get well if only they knew how. When we remember that in the 30 years of AA’s existence, we have reached less than ten per cent of those who might have been willing to approach us, we begin to get an idea of the immensity of our task and of the responsibilities with which we will always be confronted.”

There have been two Advisory Actions from the General Service Conference regarding the Declaration of Responsibility since it was introduced. In 1971, the Conference recommended that The Literature Committee, following the general feeling of the Conference, reaffirm both the spirit and the wording of the “*I am Responsible*” Declaration from the International Convention held in Toronto in 1965 and in 1977, the Conference recommended that, The Responsibility Declaration not be changed, as it was made at the 1965 International Convention in Toronto.

M.B.-She joined A.A. at age 61

“Every day I was determined to never again allow alcohol to rule me. Every day I failed.”

One day at a time, my life changed from mostly misery to mostly joy and comfort. How? I entered the A.A. Fellowship when I was 61 years old. I was a success professionally, but otherwise a mess — physically, emotionally, spiritually. I believed my inability to control my drinking was solely at fault. Little did I know.

I was an ordinary, garden-variety drunk. In public I almost never appeared or sounded drunk. I almost never staggered, fell, or got a thick tongue. I was never disorderly, never missed a day at work, and was never hospitalized or jailed for drunkenness. But excessive, uncontrollable drinking caused me misery, self-loathing and self-disgust. I'd awaken each morning wondering what I had said, done, eaten the night before — and frequently was greeted by silence from my loving family. Every day I was determined to never again allow alcohol to rule me. Every day I failed. Before the day was out, I repeated my performance.

I was never jailed, even though driving drunk in a station wagon filled with children was a regular event. For years and years, I lived in a jail of my own making. I did not know that it was the first drink that got me drunk. Once I put alcohol to my lips, I was driven physically and emotionally to consume more and more and more. I longed to be able to drink socially as so many of those around me were capable of doing. Vodka was my drink of choice, but anything with alcohol would do, even Scotch.

I traveled extensively and trembled each time I went through the hand luggage check-in because my knitting bag always contained my bottle of vodka. Those tiny bottles aboard the plane were ridiculous. I was driven to keep my supply at hand, even though the thought of discovery filled me with fear.

I had an iron determination to live my own life guided solely by self-will. I was supersensitive, shy, frightened on the inside, and grandiose and defiant on the outside. I was a woman who desperately needed a prop to keep going. Alcohol was that prop. I didn't see how I could live without it.

Twelve years ago, on a day no different from any other day, I asked my daughter if she would take me to an A.A. meeting. No dramatic event had occurred. Just day-in, day-out self-loathing. Her positive, mellow response alleviated my anxiety, and she made no big deal about the request. I asked her what to say, what to do, how to act. She said, “Just be yourself, Mom!”

When they asked if there were any newcomers in the room, I raised my hand and in a trembling voice said, “My name is M. I think I may be an alcoholic. This is my first meeting.” Applause followed. The response overwhelmed and baffled me. I was asked to keep coming back and was told that I was the most important person in the room. Amazed, cheered and filled with hope, I listened and listened and now remember almost nothing of the meeting.

I promised myself to do just what was suggested to me. I immediately asked another “chronologically gifted” (old, that is) woman to be my sponsor. I discovered that a sponsor was synonymous with a guide to finding the sober path. She suggested daily meetings; told me to read the Big Book, Alcoholics Anonymous; and most of all, said not to drink — one day at a time.

At that group I found a home away from home. In a sparsely furnished and simple room, smiling, bright eyed, friendly, beautiful, handsome strangers welcomed me with open arms. I found the new, fulfilling way of life I had longed for — the A.A. way. A huge weight was lifted from my shoulders. At that very first meeting, miracle of miracles, I lost my obsession to drink!

It has been 12 years since I walked through the doors to my first A.A. meeting. While newly sober, I battled and successfully emerged from a devastating, life threatening illness. These years of continuous sobriety have afforded me the greatest joy, serenity and peace of mind I have ever known.

I attribute it all to the blessings I have found in A.A. and to the tools of the program: A.A. meetings, working the Twelve Steps, calls to my sponsors, prayers and readings, carrying the message to others, and finding a God as I understand Him, to whose care I turn over my will and my life.

Through the Fellowship of Alcoholics Anonymous, I have found God’s true will: unconditional love with uncritical acceptance. Nowhere else on the face of this earth has that ever happened to me.

CBIA Appreciates Ongoing Support

Group Contributions

In the past, CBIA's second biggest source of revenue has been Group Contributions. Since COVID-19 came to this area in March of 2020, we have some groups that are starting to meet in person, others are still meeting only on Zoom; and the remaining groups are still not meeting. All Group Contributions are appreciated and we hope for continuing support in 2022.

Individual Contributions

We were inspired and grateful that individual members of our community have made up for the shortfall in 2021 revenues. The large contribution in January 2021 (*within the annual limit of \$5,000*) helped to make us solvent for the year. The larger contributions are expected to be a one-time thing. The "Hand of AA" event was a great success, and Halloween Dance was well attended and also raised money. These events helped CBIA stay solvent during 2021. This being said, we hope with the return of our major fundraising event, Coastal Bend Jamboree, February 4th-6th, 2022 we will be off to a great start in 2022.

We will continue to hope for ongoing individual support to make it through 2022.

Fundraisers

Texas law allows 501c3 non-profit corporations like CBIA to have only two fundraiser events. This year's Coastal Bend Jamboree with raffles, silent auction, and attendance will be February 4rd-6th at the Omni Hotel in Corpus Christi. Another event will be done by the Social Committee Trustee during 2022 to help raise more funds.

CBIA Appreciates Ongoing Support (*Continued*)

Where Are We Now?

	<u>Actual</u> <u>Jan 2022</u>
Contributions	\$3,764.46
Gross Sales	\$512.75
Cost of Goods Sold	(\$354.34)

Gross Gain	\$3,982.02
Total Expenses	\$2,467.33
Interest Income	0.0

Net Gain	\$1,514.69

What Has the CBIA Board of Trustees Done?

We determined that we had previously reduced expenses as far as possible without cutting services, and we did not want to do that. We have also decided that to ensure the future of the organization it would be unwise to cover the entire shortfall from our prudent reserve.

However, the board decided to **move \$3,000 from Prudent Reserve (*Savings*) to Checking during the summer of 2020**. The board also voted to reduce hours & payroll by 25% so Kelly (*AM*) and Rita (*PM*) will work three hours rather than four each workday. As of April 7th, 2021, our hours are 8:30 – 11:30 AM and 2:00 – 5:00 PM Monday through Friday.

What Can a Group Do to Help?

The AA World Service pamphlet, [Self-Support: Where Money and Spirituality Mix](#), suggests that AA Groups in areas served by an intergroup office distribute funds in excess of prudent reserve as shown below.

Thus, it is up to each group conscience to determine what (*if anything*) it contributes.

Your group might want to re-consider its contribution priorities temporarily. GSO and Intergroup have a bigger slice of the pie because they have much higher overhead (*salaries, office space, etc.*) than the other service entities. You might want to consider giving more to Intergroup and GSO and less to other service entities. Also, if your group has money earmarked that can be sent in earlier, that would be helpful.

Volunteers Needed to Carry the Message in Corrections Facilities

Corrections Facilities

Some of the correction facilities are starting to open back up. Volunteers are needed to carry the message to alcoholics in corrections facilities. You must be at least 18 years old and not been in trouble with the law (*arrested, incarcerated, pending, etc.*) for at least 18 months. Contact Ronnie B. at ronniebesco@hotmail.com

Helpline / 12 Step List-Help Needed!

More people are needed for "The Helpline". The Helpline is staffed by volunteers who make sure the hand of AA is available 24 hours a day by answering the intergroup phones overnight (5 PM to 8 AM) and on weekends (8 AM Saturday to 8 AM Sunday or 8 AM Sunday to 8 AM Monday). A minimum of six months sobriety is required to answer the phones. We need a few additional helpline volunteers at present. **If you are available to do this vital volunteer work, please contact CBIA as soon as possible to add your name.**

If a caller needs help beyond meeting information, the helpline passes them to someone on the **12-Step List** for a longer conversation on how to get sober and stay sober. A minimum of two years sobriety is required to be on the 12 Step List. We especially need people (particularly women) in the outlying areas.

If you would like to be on the Helpline or the 12-Step List, call Kelly or Rita at the CBIA office (361) 992-8911 between 8:30-11:30 AM or 2-5 PM Monday thru Friday.
