. . .It Might Have Been the Time. . .

BY: LOIS

I too needed spiritual development

IT is hard to say just when Alcoholics Anonymous began. It may have been at the time a friend came to see my husband, Bill. Or it may have been at the moment of Bill's spiritual experience. Most AAs feel it is the time six months later when he met Dr. Bob in Akron and, together, they started to help other alcoholics who wanted to be rid of their addiction.

But for me it was the day I first saw the released expression on my husband's face. We had been married 17 years, and were compatible and companionable. Our interests were similar and we both deeply desired and strove for the other's welfare. The only, but considerable block to our happiness was Bill's uncontrolled drinking. In the early years he said that he could stop when he wanted and I thought I'd soon be able to make life so complete for him that he would wish to quit drinking entirely. Much later when he really did want to stop, he was absolutely unable to do so, and we both then became terribly confused and frustrated. Oddly enough he had been in other matters a person of strong will power, but his will seemed to melt away where alcohol was concerned. In his remorse and disappointment, he was a tragic and heart-breaking figure. I too felt myself a failure, for despite every endeavor, I had not been able to help him in time, nor could I aid him in the least in his final struggle for freedom.

TODAY I can talk and write about these intimate details of our life together. While Bill was drinking, I dared not even speak to my family about it and tried to hide the fact of his alcoholism in every way possible. Now that I have learned that Bill was actually a very sick man, that awful feeling of disgrace has left me. I have also learned how much help the telling of such experiences can be to those who are going through similar ones. After fifteen years in AA the old trying times are so far away and foreign to Bill's and my present way of life that it seems like the experience of someone else.

AFTER Bill left the hospital for the last time, he began to think of the thousands of alcoholics who wanted to be rid of their malady. If they could be made to feel desperate enough, they might have a releasing experience just like his. He would hold before them the medical verdict that alcoholism was

hopeless. So tirelessly, day and night, we worked. Our home was filled with alcoholics in various stages of sobriety. As many as five of them lived with us at one time. But none of them stayed sober for long. Then started a long process of trial and error, certain ideas were retained, but many discarded.

It was in June 1935 that Bill went to Akron, Ohio on a business trip. The venture failed. He finally contacted Dr. Bob, an Akron surgeon soon to become cofounder of Alcoholics Anonymous. Bob too wanted above all to stop drinking. He and his wife, Anne, had done everything they could.

SOMETHING passed between these two men. There was real mutuality this time. By example they showed how it worked. Thus, AA spread like a chain letter.

Bill had learned a great deal. At first, he had tried to put every alcoholic he met in the way of a spiritual experience just like his own. As AA grew, he realized that what had come to him in a few dramatic minutes usually dawns on others in months or years. Sometimes the alcoholic himself does not even realize his own development, though his words and actions soon speak for him, for he is doing now what, of himself, he was unable to do before. He is staying sober and helping other people as never before. He is gaining a serenity, a joy in living.

WATCHING Bill and the other men at the meetings, I noticed many of them had begun to grow by leaps and bounds. This made me look at myself. I had been given a sound religious upbringing and felt I had done for Bill all a good wife could do, although this was strangely mixed with a sense of failure. At first it never occurred to me that I too needed spiritual development. I did not realize that by living such an abnormal life I might have become twisted, losing a sense of true values. After a while I saw that unless I jumped on the bandwagon too, I would be left way behind. The AA Program I found could be most helpful to the non-alcoholic as well, a fact thousands of alcoholics' relatives and friends now apply to their own lives.

Those Clinton Street days are full of memories. Some of them are humorous, some tragic. But most of them bring back a warm glow of hope and courage, of friendship and rebirth. For the fellowship in AA is unique. Ties are made overnight that it would take years to develop elsewhere. No one needs a false front. All barriers are down. Some who have felt outcasts all their lives, now know they really belong. From feeling as if they were dragging anchor through

life, they suddenly sail free before the wind. For now, they can be of tremendous and peculiar use to others having a dire need like their own.

CBIA Appreciates Ongoing Support

Group Contributions

CBIA would like to express their gratitude to the AA Groups that support us all during the year, it is our second biggest source of revenue.

The AA World Service pamphlet, [Self-Support: Where Money and Spirituality Mix](#), suggests that AA Groups in areas served by an intergroup office distribute funds in excess of prudent reserve as shown below.

Thus, it is up to each group conscience to determine what (*if anything*) it contributes.

Your group might want to re-consider its contribution priorities temporarily. GSO and Intergroup have a bigger slice of the pie because they have much higher overhead (*salaries, office space, etc.*) than the other service entities. You might want to consider giving more to Intergroup and GSO and less to other service entities. Also, if your group has money earmarked that can be sent in earlier, that would be helpful.

Individual Contributions

We are grateful that individual members of our community have made contributions to Coastal Bend Intergroup. You can donate on the **Birthday Club** list by just sending in a donation or drop it by the office. We are pleased with how many do send contributions throughout the year and we will continue to hope for ongoing individual support through 2023.

Have you heard it through the Grapevine yet?

AA Grapevine has gone social! It has its own podcast! Each week, longtime AA members Don and Sam interview different members about their experience, strength and hope. The half-hour podcast is a casual “meeting after the meeting” with jokes, fun and the typical AA banter. Listening to a few episodes, it’s a reminder that alcoholics are not a glum lot.

New episodes are available in English each Monday at 9:00am EST. The hosts interview their guests on getting sober, service, Steps, sponsorship and more. To listen to new or past episodes, visit www.aagrapevine.org/podcast (or wherever you get podcasts). By going to the website, members are able to email, call or leave voice recordings with comments, suggestions, jokes or recovery related questions for the Ask-It-Basket. Our Tradition of anonymity will be respected with all submissions on the show.

Treatment and Facilities Committee meets the second Saturday of each month at the New Phoenix Group at 5433 S. Staples Ste H, in Corpus Christi, TX at 2pm. Everyone is welcome, including newcomers. You might find that you would like to be of service but you will find it very informative even if you don't commit.

Helpline / 12 Step List Help Needed!

More people are needed for "The Helpline". The Helpline is staffed by volunteers who make sure the hand of AA is available 24 hours a day by answering the intergroup phones overnight (5 PM to 8 AM) and on weekends (8 AM Saturday to 8 AM Sunday or 8 AM Sunday to 8 AM Monday). A minimum of nine months sobriety is required to answer the phones. **If you are available to do this vital volunteer work, please contact CBIA as soon as possible to add your name.**

If a caller needs help beyond meeting information, the helpline passes them to someone on the **12-Step List** for a longer conversation on how to get sober and stay sober. A minimum of two years sobriety is required to be on the 12 Step List. If interested please call Terry or Rita at the CBIA office (361) 992-8911 between 8:30-11:30 AM or 2-5 PM Monday thru Friday.
